From aging, sun damaged skin to unwanted facial hair, cellulite or nail issues, our skilled staff will address all of your beauty concerns.

The patented Vortex-Fusion system and HydroPeel Tips set this **hydracial** apart from all the rest by delivering antioxidants, peptides and hyaluronic acid deep into the skin for amazing, transforming results.

SIGNATURE HYDRAFACIAL \$175

This treatment deeply cleanses, exfoliates, extracts and hydrates the skin utilizing super serums and LED light therapy to erase environmental damage, reduce fine lines and to instantly plump and firm your skin.

RESTORATIVE DELUXE HYDRAFACIAL \$225

An invigorating treatment that includes all of the essentials of the Signature HydraFacial while adding the highly effective growth factor booster to improve the appearance of skin tone, texture and elasticity. This treatment concludes with LED light therapy.

RADIANCE HYDRAFACIAL \$200

Targeted to reduce hyperpigmentation caused by environmental and hormonal factors, this treatment uses the booster Britenol to minimize the appearance of dark spots.

AGE-REFINEMENT HYDRAFACIAL \$200

Age is just a number. Erase the years by indulging in this age defying treatment that includes a DermaBuilder booster to reduce the appearance of fine lines and wrinkles.

CLARIFYING HYDRAFACIAL \$200

Suited for those who suffer from acneic skin, this treatment includes extended extractions, 30% glycolic/salicylic serum and blue LED light therapy to reveal the clearest and best skin of your life. Best results with a maintenance of treatments throughout the year.

PLATINUM HYDRAFACIAL \$275

The ultimate HydraFacial experience! Begin the detoxification process with lymphatic drainage. Then, the Signature HydraFacial deeply cleanses, exfoliates, extracts and hydrates the skin while addressing your specific skin concerns with a booster of your choice. This treatment concludes with LED light therapy to further reduce the visible signs of aging.

BODY CONTOURING AND FAT DESTRUCTION

ULTRASHAPE POWER

UltraShape Power is the first and only FDA-cleared non-surgical procedure that uses pulsed, focused ultrasound energy for fat cell destruction just below your skin's surface. Rapidly changing pressure waves cause the targeted fat cells to rupture which are then eliminated naturally. UltraShape Power's fat destruction, when combined with a healthy lifestyle, can deliver the body you've worked hard for. Pricing depends on the desired treatment area based on consultation and requires at least 3 treatments.

Large area (10 zones) starting at \$750

Small to medium area (up to 6 zones) \$450

Each additional zone \$75

CELLULITE REDUCTION AND SKIN TIGHTENING

Radio-frequency technology uses bi-polar radio frequency that is clinically proven to reduce the appearance of cellulite in a comfortable and quick procedure, resulting in smoother skin to the thighs, legs, abdomen and arms.

Medium area \$300 per treatment, 4 or more treatments
\$275 each

Large area \$400 per treatment, 4 or more treatments
\$350 each

MICRONEEDLING

Your #1 priority on your path to facial rejuvenation! After topical numbing, tiny needles create micro-injury to the skin to stimulate the body's natural healing process, resulting in collagen and elastin production. This is a great option for nearly all skin types and is proven to address mild to moderate skin laxity and tone, scarring, irregular skin texture, fine lines and facial wrinkles.

1 treatment \$280, 3 treatments \$750

MICRONEEDLING WITH PLATELET RICH PLASMA (PRP)

Also known as the "Vampire Treatment", this process uses your own PRP which contains concentrated platelets, growth factors and active proteins needed for tissue regeneration and injury healing. A small amount of your blood is drawn and the PRP is separated and applied to your face. In the weeks following, this collagen-producing response will reveal healthy skin that looks refreshed and rejuvenated. You will receive all the amazing benefits from regular Microneedling in a more powerful punch.

1 treatment \$600, 3 treatments \$1500

Each series of 3 PRP treatments includes
SkinMedica TNS Recovery Complex (\$220 value)

HAIR RESTORATION WITH PRP \$600

Highly effective for both men and women, PRP hair treatment can help reverse hair loss and stimulate the formation of new hair follicles along the hairline. Your PRP is injected into the scalp so that the hair grows back thicker and stronger with cells that create new blood vessels in the scalp to nourish with a new infusion of oxygen and nutrient-rich blood.

FACIAL INJECTIONS WITH PRP \$600

Achieve a deeper collagen-producing response by having your PRP injected in to your targeted areas such as deep lines, creases and under eye circles.

Add this to any PRP treatment for \$400

CHEMICAL PEELS

Your more youthful, radiant appearance is ready to be revealed. Accelerate skin exfoliation, reveal a renewed and more uniform complexion, diminish the appearance of fine lines and sun damage. Chemical peels can do it all with minimal downtime. Results are cumulative.

ILLUMINIZE PEEL \$125

Appropriate for first-timers, patients with mild skin imperfections or patients who are looking for a brighter, more radiant skin with no downtime.

VITALIZE PEEL \$150

For those with mild-to-moderate skin imperfections that result from skin aging and sun exposure, such as fine lines and wrinkles, uneven skin tone and texture. Also addresses skin unevenness that can be caused by acne scarring or other pigimentary changes.

REJUVENIZE PEEL \$200

An intense peel, best suited for those with more severe damage and want faster results. Peeling times may vary. Our expert staff will help you decide which peel is best for you.

TCA 25% \$180

Medium depth peel for moderate to severe hyperpigmentation. Reduces visible signs of deep lines and improves skin texture, tone & acne scarring. Peeling times vary 4-10 days.
